**ORDER CORRECTING CLERICAL ERRORS**

Under the authority of Resolution A-4661, I have directed that clerical errors in Decision (D.) 02-07-036 be corrected prior to the mailing of that decision. In some cases, these changes contain individual words that were inadvertently omitted from the original text. In other cases, some words should have been deleted and were not. To correct these clerical errors:

**IT IS ORDERED** that:

1. Footnote 15 on page 45, beginning with the second sentence, should read as follows:

“ None of the attachments qualify for mandatory judicial notice under Evid. Code §451. We take official notice of the various documents attached to the petitions under the permissive standards of Evid. Code §452, except that we decline to take official notice of Ex. B. to the petition, which is a newspaper article. Having taken official notice of the other documents, we apply our own discretion to determine what inferences, if any, should be drawn from them and what weight they should be given.”

2. Both page 18, second full paragraph, third sentence, and Ordering Paragraph 3 (d), should be corrected to delete the phrase “whether there is an affiliate relationship between Wild Goose and the customer,”.

3. On Page 19, the last sentence, should be amended to read:

“Roseville Land did not participate in the evidentiary hearings that led to the CPCN decision;”

This order is effective today.

Dated July 23, 2002, at San Francisco, California.
